TUITION AND OTHER FEES FOR 2021/ 2022

Registration fee (non-refundable)

For all grades K-6 this will be US\$ 625.00. For OIS Middle School, the registration fee is \$750.00. This fee will be fully transferred to the Learning Material Fund which is intended to cover the costs of books, workbooks, support materials for instruction and related technology hardware/software, which will enhance the student's learning process throughout the school year. No exemptions are made in the payment of the registration fee. Payment of the registration fee is due by June 1, 2021 to guarantee your child's placement in class.

Student Insurance

All OIS students are covered by insurance provided by Nagico. The cost of this insurance is US \$25 per school year and is included in the registration fee. Insurance covers Accidental Death or Dismemberment up to \$5000 USD and Accidental Injury up to \$500 USD.

Tuition Fees

A school needs to plan for its human and physical resources on an annual basis. This planning is based on student enrollment and school fees. The tuition is set for the year and per term. In order to facilitate parents, payments though may be made in monthly installments. Parents who like to withdraw their child from school need to inform the school well in advance (at least 3 months). If a child is withdrawn half-way through the term without prior knowledge of OIS, tuition fees will not be waived for the remainder of the term.

Payment of Fees - Guidelines

All school tuition fees are due by the published dates; in general this means that all tuition should be paid by the first of the month beginning in July 1, 2021 if you select payment option 3 monthly payments or August 1, 2021 for those paying either for the year or by the Term.. If payment is not received on the indicated date a late fee will be added, which is currently set at \$50.00. A returned cheque is considered as a late payment. Where fees remain unpaid after 30 days further attendance of students shall be denied. Reports and school records will be withheld pending full payment on any outstanding accounts.

Only payment of the registration fee (see below) will secure a place for the new school year.

The cost of uniforms and general school supplies appropriate for each grade level shall be the responsibility of the parents. The list of school supplies can be obtained from the Office Administrator. Books, related software and other supplementary learning materials are intended to be covered by the yearly registration fee, which will be transferred to the Learning Material Fund. Field trips, external examinations, damaged or lost books are not covered by the registration fee, or tuition fee.

Monthly Tuition

Monthly tuition fees are payable by post-dated checks or standing orders ONLY. NO CASH.

Discounts

For families with more than one child in the school there are discounts for the 2nd and 3rd child (in case of 4th and 5th child the same discount as 3rd child applies). The discount is always applied to the youngest child.

Discounted fees are:

- 2nd child: 20% discount
- 3rd child: 30% discount
