### OBJECTIVE

The primary objective of the Tuition Assistance Program is to promote the advancement of education by providing partial tuition assistance for current and prospective Anguillian students attending Omolulu International School (OIS).

### TUITION ASSISTANCE ELIGIBILITY CRITERIA

The Tuition Assistance Program is designated to aid, in particular, students with Anguillian nationality or permanent residence, who cannot afford to pay the regular tuition fees. Students must be registered at O.I.S. at the time of application to the Tuition Assistance Program. Approval is based on financial need and the approved amount of assistance is determined by the Tuition Assistance committee.

To be eligible for financial assistance, parents of potential recipients must meet the following criteria:

- submit a completed Tuition Assistance application, in its entirety
- show proof of Anguillain citizenship or permanent residency status in Anguilla
- have an up-to-date student financial account with no outstanding balances
- demonstrate sufficient financial need (detailed criteria are established by the School Board/Tuition Assistance committee based on the number of applicants each year and available funds)
- demonstrate sufficient financial resources to pay the remainder of the tuition fee and the annual registration fee
- commit to 20 hours of volunteer work within the school community

A parent interview may also be requested as part of the financial aid needs assessment.

Students who have received tuition assistance in previous years are not guaranteed approval in subsequent years. Therefore, application for tuition assistance must be made at the beginning of each school year.

**The information provided by parents in this form is strictly confidential. The contents of this Tuition Assistance application form are shared with the Tuition Assistance Committee only as a part of the approval and tuition allocation process.**
